# Yusuf Khan

Bachelor's In Information Technology

## OBJECTIVE

I am enthusiastic and motivated to contribute to web development projects. With a strong foundation in HTML, CSS, and JavaScript, I'm eager to create appealing and responsive user interfaces.

## ACTIVITIES

### Extracurricular Activities:

Write clean, maintainable HTML, CSS, and JavaScript code.  
Build responsive and user-friendly web interfaces.  
Implement designs and mockups into functional web pages or applications

## PROJECTS

**Fully responsive website:** A website build with HTML, CSS and JavaScript with excellent UI/UX skills and principles. Dynamic website with mobile navigation presented as hamburger.
